***To Our Legacy—Our Future***

# **The Toast**

*By Dr. Adriana Pacheco, PART of Austin member*

*Organized on January 30, 1922, we have worked tirelessly to address women issues, education, poverty and health. Twenty-two women had the vision that only working together we can overcome problems in a changing society. Let us celebrate this major milestone and the enduring legacy.*

*Today, in 2022, we celebrate 100 years of the legacy of those women that started such remarkable and needed work. Our organization has witnessed society deal with so much in the way of social change and adversity in its many forms. The work of its members gives us hope during today's trying times.*

*Through it all, our organization is still standing! Which is why today, we celebrate YOU: our members, our partners, our donors, our volunteers, and our friends. You inspire and empower us to continue, year after year, to be resilient and more determined than ever, to help other women, children and men and to build equitable pathways to access to education, preservation of our culture, and friendship across communities, beliefs and histories.*

*Please join me in a toast—a toast to celebrate YOU, US, and OUR strong, collective legacy, as we forge an unwavering path into the future!*

*We honor 100 years of uniting as a community of women and we are ready for another 100 years!*

*Our legacy our future.*

# **The Celebration**

*By Esther Díaz, PART of Austin Director*

***Our Centennial Celebration was held on April 24, 2022 at The Driskill. This historical hotel hosted the first meeting of the Pan American Round Table of Austin in 1922 with Clara Driscoll as our founder.***

***Guests at the Centennial Celebration were greeted with a cocktail reception featuring the music of Las Coronelas, an all-female mariachi, and the Centennial Cosmo, created by Tito's Vodka for PART of Austin. In addition, we were treated to a centennial retrospective video, created by Carmen Cortes-Harms and Maricarmen Nasr with photos from the PART archives at the University of Texas Dolph Briscoe Center for American History. The emcee for the celebration was highly honored anchor/reporter Olga Campos Benz. The program included a formal presentation of colors and pledge of allegiance by Girl Scout Troop #276, as well as a virtual parade of Pan American flags. The keynote speaker was Dr. Carolina Castillo-Crimm, whose entertaining stories provided the historical context of the time when PART of Austin was formed. We also presented Centennial Awards to two of our members: Immediate Past Director General of the Alliance Sylvia Williams, who has held several offices at the local, state and international levels, and Julia Mellenbruch, our longest-serving member of 69 years. Sadly, this last award was presented posthumously, as Julia died just a few days before the centennial event. The award was presented to her daughter and PART of Austin member, Mary Ann Meigs. Dr. Adriana Pacheco, a PART of Austin member, closed the program with a toast to our past and our future.***

***Among the 147 guests, we were honored by the attendance of Alliance Director General Jani Marichal de Mendoza, Immediate Past Director General Sylvia Williams, Former Director General Evita de Manzárraga, State Director Martha Stumbo, and Zone 1 Director Amalia Rodríguez-Mendoza. Accompanying them were Assistant Alliance Treasurer Maly Tamez from Villa Hermosa, Mexico; and Brownsville and McAllen PART members Sandra Maxwell, Raquel Olivo, Ana Moon and Mariella Gorena, the 2022 State Convention Chair.***

***Other notable out of town guests included 2018 Pan American Woman Carmen R. Guerra from McAllen, Associate State Director Kathy Ehmann-Clardy from Ft. Worth, Alliance Treasurer Marie Adams from Corpus Christi, Past State Directors Lana Harper, Berta García and Isabel Vezzetti, and State Treasurer Margot Arevalo-Gonzalez.***

*We also had several PART of Houston members including Rosalinda Peterson, Belinda Kaylani, Laura Cervantes, Maribel Rodriguez and Kaye Fraser. The Beeville Table was represented by Director Cecile Rochard O'Connor and members Johana Crespo-Quiñones, Alice Hall, Louise Hall, and Josephine Miller, the mother of PART member Mary Catherine Miller. Other notable guests included Travis County District Judge Maria Cantu-Hexsel and retired District Judge Orlinda Naranjo. The Laredo table sent a donation to the state scholarship fund to honor our centennial.*

*Of course, many PART of Austin members were in attendance with family members and friends.*

*Many thanks to the entire Centennial Committee and, in particular, to Amalia Rodríguez-Mendoza for her outstanding fundraising skills. We had 38 sponsors (cash and in-kind donations) and raised a total of \$34,570 which netted \$13,000. This balance will be used for other centennial activities and donations this coming year.*

*Note:*

*PART of Austin members who attended but unfortunately not pictured are Joanna Fountain and Rosalinda Peña.*
